

Job Description

Role:	NMG Associate
Base Office:	Home based - USA, England, Australia, Singapore
Business Line:	Global Insights Practice
Classification:	Contract Basis
Direct Manager:	Local Partner / Principal / Senior Consultant

COMPANY OVERVIEW

The NMG Group is a global advisory and intermediary firm focused exclusively on the financial services sector. Established in 1992, NMG has enjoyed rapid expansion internationally and now has over 800 employees across 18 cities.

NMG Consulting is a leading multinational insurance and asset management consultancy, integrating consulting, insights and analytics. Our consultants provide strategy consulting, insights, analytics and actuarial services to financial institutions including banks, insurers, reinsurers and asset managers.

Global Insights Consulting Practice – our largest business-line globally, runs evidenced-based consulting programmes, based on interviewing the leading industry experts and key decision makers, to analyse industry trends and the competitive performance. The Global Insights Consulting practice conducts more than 50 evidence-based Insights Consulting Programmes annually, covering asset management, life insurance, health insurance, wealth management and reinsurance.

The combination of our specialist focus, global network, research and analytics, give us a unique perspective on the market dynamics relevant to industry participants.

SUMMARY STATEMENT

We now have an opportunity for an Associate to work with NMG on delivering our programs in Japan.

Each program requires executive-style interviews to be undertaken with key decision makers throughout 6 months of the year on an annual basis. This position will suit a self-motivated individual who possesses a strong understanding of the insurance, reinsurance or investments market. This is a rare opportunity to be involved in a progressive consulting engagement in financial services on a flexible working basis.

KEY RESPONSIBILITIES:

- Conduct face-to-face interviews with leading decision makers in the insurance, reinsurance and investments industry
- Support NMG's strategy and insights consulting practice in understanding the key themes and insights from the research study

QUALIFICATIONS, EXPERIENCE and ABILITIES:

- Project management skills
- 10+ years of experience in either the insurance, reinsurance or investments industry
- Ability to form relationships and gauge the thinking of key decision makers
- Familiar with Japanese culture/ working environment
- Strong interpersonal and communication skills, both written and verbal
- Fluent in English and Japanese language skills would be preferred but not essential
- Ability to work effectively with a global team of consultants
- High quality standards

It is envisioned that this role will be performed on a contract basis, over several days per week for a period of 6 months, with the potential to contribute on an annual basis.
